Speaker:

Tonya Hance

From Greeley, CO

Tonya Hance is an inspirational speaker, author, and photographer who shares her love for God through spiritual analogies. She has served as a Bible study teacher in women's ministry, a leader in children's ministry, and has been involved with prayer ministry. Raised in Tennessee, Tonya keeps the volunteer state's spirit by being active with faith-based humanitarian organizations.

Tonya is a powerful inspirational speaker with a heart for sharing Jesus. She began her speaking career ten years ago at the urging of a pastor friend, and God has taken her to many retreats, conferences, and churches ever since. Tonya's main theme is faith in action.

An adventurer at heart, Tonya spends her free time caving, canyoneering, exploring remote areas, and occasionally hiding from bears. Her motto is, "Life is an adventure, and I don't want to miss a moment of it!"
