

GIANFORTE Family Foundation

Is your church planning new programs this fall to increase outreach in your community? We're pleased to offer grant funding to help you launch a new program.

The Gianforte Family Foundation strongly believes the local church plays a valuable, irreplaceable role in the community. To help Christian churches in Montana reach out "beyond the pews" with the love of Christ, our foundation is offering pre-packaged grants (up to \$3,300) for new outreach and community-building programs that:

- Strengthen Marriages & Families
- Help Individuals Flourish Economically
- Offer Addiction or Trauma Recovery Tools

To be eligible for this grant you must:

- Be a Christian church operating in the state of Montana,
- Select one of our pre-packaged grant options*,
- Make sure the selected option is a new program for your church,
- Follow application instructions at the bottom of the webpage, and
- Actively promote this program to your community, not just your congregation.
