Summer Camps 2021: 'Seek Jesus'

(Inspired by Paxton Ray Fisher, who went to be with Jesus on April 18th, 2017)

“Paxton will be remembered by all who knew him for the passion he lived out through all he did. His greatest passion was knowing and living life with Jesus Christ. His favorite place on earth was Dickey Lake Bible Camp, where he spent every summer. His greatest desire was that as many people as possible would be able to see the love and freedom in knowing Jesus as Savior... **In his last days if you asked him what you could do for him, he would simply and genuinely say, 'seek Jesus!'**”

Update from our Director of Camp Ministry, **Morgan Pelletier**

Here we are again! Another year has come and gone and we are preparing for camp again this summer. We are so excited that this year's theme is 'Seek Jesus' because it has so much meaning in the lives of many people who have been a part of camp. There are also some *new camps* this summer, *a second week of high school camp and a backcountry camp!* We are so happy to be growing! This summer is going to be a full one again and we want to share it with you. *Please sign up soon. We would love to see you! Come make lasting friendships, memories and experiences with God!*

The Chairman's Corner **Development Plans!**

Dear DLBC Family,

As DLBC moves into its 75th anniversary season, I am pleased to be able to provide you with an update on the development plans at the camp.

First of all, a big THANK YOU to all who have supported the camp financially over the past decade, which has resulted in the Founder's (dining) Hall construction, the completion of the Director's home and the implementation of numerous smaller projects, all with *no debt incurred*. Speaking for the board and the other volunteers who serve on staff at the camp, *we are overjoyed to be able to partner with you in this way.*

Over the past months, a long-term plan for the camp has been developed with the participation of many DLBC stakeholders. This plan, prepared under the leadership of Sam Kavanagh, has been adopted by the board as a 'baseline' from which individual projects will then be approved, as resources allow. Our nearest term projects include the installation of a new sport court, a much-needed shop building and improvements to the bathroom facilities. The longer-term focus has been determined to be a larger chapel space. *(If you would like a copy of the development plan, please email the camp office.)*

Due to the gracious gifts of numerous camp supporters over the past year, the board has just approved the sport court installation, which should be ready for use this season! This facility will allow a smooth surface for many activities, including pickleball, basketball and floor hockey. We are certain this new court will be joyfully and continuously used during the camp season!

Thank you again for your partnership in the DLBC ministry.

In Jesus, John Roundhill - Board Chairman

A 'Shout-Out' To Our Supporters!

Whether you've given your **prayers**, volunteered time, talents or dollars -- you are so appreciated. DLBC could not function without you. **Thank you for showing up and sticking with us.**

May God richly bless you, just as you have blessed the camp and all the campers!

Thank you!
