

IS THERE MORE TO LIFE THAN THIS?
Our Alpha USA grants help your church share the Gospel in your community.

The Gianforte Family Foundation is offering grants of \$1,100 for Montana churches to start or expand an Alpha USA program. The Alpha Course brings the church and community together for conversations about faith, life, and God. Sharing the Gospel, offering hospitality, freely sharing ideas, and building friendships are key components. The program is particularly powerful for those asking the question, “Is there more to life than this?”

Grant funds may be used toward:

- Shared Meals
- Childcare
- Weekend Getaway Retreat (encouraged but optional)

Alpha USA programs are already offered at 30 or so churches throughout Montana. Here are just two examples of its impact:

- Helena Valley Faith Center has been running Alpha for over a decade. Many of the church’s current leaders have been inspired by Alpha, including the children’s pastor who came to faith through Alpha 10 years ago.
- A Montana lay leader and his wife hosted the “Run Alpha” training in Great Falls, which other churches attended. During the training he shared, with tears in his eyes, “I have been praying for this kind of movement of God in our city with multiple churches using Alpha. Today is an answer to my prayer.”

You can explore Alpha further at no risk by:
