

Hello friends, pastors and church workers-

Boy has it been cold and quiet this winter. However, we're excited because summer's coming and with it, *the life changing camp experience.*

Would you consider sharing this camp update video at your church and on social media?

At Dickey Lake Bible Camp, we're committed to another year of *"Making disciples through Bible-based, Christ-centered camping experiences"* and we want to come alongside you in your efforts to minister to families.

We'd also love to provide opportunities for volunteers to take part in the work of ministry. Serving at camp is like a local mission trip!

Our goal is to fulfill our calling as a Bible camp and make a difference for Christ- in real ways to real people... and *we need your help.*

I'd also love to come share Christ at your church through the lens of camp and our 2022 theme, *Victorious* -I Corinthians 15:57.

Maybe doing an announcement and answering questions after service works better, that's great too.

Please contact me if I can join you at a service before summer (406) 334-3954 or dickeylakebiblecamp@gmail.com.
