### SCHOLARSHIPS

Did you know you can donate to or apply for a scholarship for your child or another person? Call the camp office (406) 882-4575 for more info or check out the Camps and Registration page on our website: [Dickeylakebiblecamp.org](http://Dickeylakebiblecamp.org)

### DONATIONS

We have been incredibly blessed with several generous donations this past year.

In summary, we've received over 170K in gifts toward development (125K anonymously). Out of the 170K, 45K designated Shop.

## A word from Board Chairman Pastor Joe Fisher

I started getting involved with Dickey Lake 17 years ago. My wife had fallen in love with DLBC as a camper and it was important to her to pass that love on to our kids and the next generation. I quickly had the same outlook and had

our kids at DLBC as often as possible. This summer our youngest child will attend her last year as a camper! The reality is that God uses this place to grow His family, to bring the light to dark places, to build His church! It is a place that affects those who serve and those that are being served. The one reality that keeps that legacy going is that His people are faithful to see Jesus as the focus of everything we do!

We are grateful for all of those that have gone before us, who are giving back. May God bless you!

If you haven't yet experienced Dickey Lake Bible Camp don't miss this summer! Come join us.

Blessings! Joe Fisher

*The Spirit of the Lord God is upon me, because the Lord has anointed me to bring good news to the afflicted; He has sent me to bind up the broken hearted, to proclaim liberty to captives and freedom to prisoners.*

*Isaiah 61:1*

## Zach's Corner

Dickey Lake Bible Camp celebrated its 75th Anniversary in 2021. We are incredibly thankful (and wonderfully stunned) at the extent of which God continues bless us.

Since last summer we've received numerous financial gifts, primarily towards development. A beautiful sports court was built last summer. We're scheduled to build a shop this summer, followed by a new chapel and cabins in the coming years.

More importantly, in 2020, 325 campers attended DLBC summer camps. Over 30 campers were baptized that year with just as many first time decisions for Christ and 31 scholarships were awarded, totaling \$2,855.

In 2021, the total number of campers increased to 420. We even had to add a second High School Camp! Again, over 30 campers were baptized, including 5 kids from a local boy's home. \$5,600 in camper scholarships were awarded while keeping our registration costs very affordable.

Our theme this year is *VICTORIOUS (1 Cor. 15:57)* and our mission continues to be *"Making disciples through Bible-based, Christ-centered camping experiences.* Pray for us as we continue seeking God's desire for DLBC. Pray also that 2022 would produce much lasting fruit to the glory of God."

### Progress Report from the Maintenance/Development Team

PRAISE GOD!! Progress is being made. With the amazing provision of funding, construction of the shop/storage building will start in June.

Besides providing a consolidated location for plumbing, electrical, carpentry, painting supplies and equipment. It will also provide space to work on projects.

The team is also working on the layout of the future cabin village. It will replace the two tents, plus when complete, add needed bed space.

The new proposed chapel is not far from our thoughts either. In the Lord's time and provision all will be accomplished in His will. Praise His Name!
