

"Let each generation tell its children of your mighty acts; let them proclaim your power." -Psalm 145:4

Hello Friends,

We have a great problem and we need your help. Our summer camps are already either full or almost full and we do NOT want to turn kids away. Pastor Joe Fisher, our Chairman and long time DLBC champion, told me that this camp has a long legacy of never having had to turn away campers. We would hate to start turning kids away now, because 1) we know how powerfully God works within the context of summer camp and 2) how desperately kids need to experience the grace and truth of Jesus Christ.

I had a mom tell me yesterday that her son is really struggling and desperately needs a "win" at camp this summer. Wow. I think she speaks for most of the campers who are coming. It's no mistake this year's theme is VICTORIOUS (I Cor. 15:57).

I know some of you have already signed up to serve and partner with us in ministry this summer. If you haven't yet applied, prayerfully consider coming to serve. If you know of someone who would be great, please encourage them to go online and apply. If you're a pastor or church admin, would you consider making an announcement Sunday and including the need in your bulletin?

We could use male and female counselors for every camp, especially guy counselors. We could also use a few more support staff & kitchen staff during certain weeks.

How exciting to be among those, upon whom the fulfillment of the ages has come! (I Cor. 10:11)
