Speaker:

Misty Vannett

Saratoga, WY

Misty Vannett

Misty is a pastor's wife and homeschooling mom. She and her husband, Vince, have been married for over 27 years. They have served in many different aspects of ministry including owning a coffee shop/ministry center, starting a Celebrate Recovery and a fitness outreach called Rock Solid fitness. Currently they live and work in Saratoga. They have 8 amazing (and busy) children and 1 wonderful son-in-law.

In her spare time, she loves to speak for women's groups about keeping our walk with Jesus real. She is certain that satan's greatest tool is for us to keep a bondage mindset of performance and perfection. When women become real with ourselves and each other is when the Holy Spirit can do His best work. She is so excited to share with you this weekend the things God has put on her heart.
