

Mountain Valley Church in Townsend MT has one too many pianos! We are looking to bless a church that is in need for a donation.

The piano has been serviced and is in excellent condition. Our hope is to field some offer and then choose a church. All offers welcome!

It is a Yamaha Clavinova Model UDFD01. Values has been anywhere from \$1800-\$4000. Interested parties will need to pick up in townsend. Pictures are attached that will

include model specifications. If interested please mail or text Eric Krueger.
