

Third Thursday Notes

Sep 21, 2023 - Creating a Volunteer Team

How do you Create a Volunteer Team?

1) Volunteer teams are essential to provide Support for the Ministry.

Volunteer teams are a great source of support, Ideas, help in planning, diversity in who you can reach, and can help share the load.

2) Future Leaders

Creating a volunteer team isn't just about the help they provide, they are also an investment in the future of the ministry and its sustainability.

3) Who, When, Where, How, & Why

If we can answer the questions of who do we recruit, when is the best time to recruit, where are you looking for volunteers, how are you connecting with future volunteers, and why are you recruiting volunteers, then you are well on our way to having a great team!

4) Bringing on Volunteers

Following a simple process of onboarding that you go through with each new volunteer will help you stay organized and grow your volunteers commitment

Final Thought

Once you have your volunteer team, take a step back and allow them to serve how God has created them to. We need to be willing to adjust how we do things to take into account for our volunteers strengths and weaknesses.
