

Third Thursday Notes

Jan 18, 2024 - A Look Ahead to 2024

What's coming up this year?

1) Topics from you!

If there are topics that you'd like us to cover in 2024, please email those to ctweedy@rmdcma.com. We want to make sure we're connecting on the issues and questions that are most important to you.

2) Outreach Opportunity

Stay tuned for additional information about an in-district youth ministry opportunity later in the year. We're working out details now, and hope to be able to share them all soon. This would be an opportunity to take your youth group to a unique location and engage in serving, discipleship, and other types of ministry work.

3) Youth Leader Weekend

If you haven't registered yet, now's the time! This event is open to anyone working with Jr. or Sr. High School students - pastors to volunteers, full-time to part-time to no-time - everyone on your team is invited. We're super excited to have Ken Castor as our main presenter this year. Ken is a wealth of youth ministry knowledge and experience having served in student ministry for decades, taught student ministry at Crown College, and developed numerous ministry tools including the [Next Conference](#), devotional resources, and contributions to Student Study Bibles. Check out the Youth Resource page at rmdcma.com/youth for more info!

4) LIFE Conference 2025

Coming up this summer we're going to host a meeting for anyone interested in taking their youth group to the [LIFE Conference](#) July 4-9, 2025 in Indianapolis, IN. Planning for LIFE can be daunting, but we'll share some very helpful resources and best practices that will make planning SO much easier. Plus we'll be able to answer any questions you have. Stay tuned for more info.
