

Third Thursday Notes

June 20, 2024 - LIFE Conference 2025

What is LIFE Conference? The LIFE Conference is a triennial gathering of Alliance high school students from all over the US for a time of worship, teaching, serving, and calling. Typically around 6,000 students and adult sponsors are present.

What are the high level details?

- Dates: Wednesday, July 4th thru Monday, July 9th, 2025
- Location: Indianapolis, IN
- Registration Cost: \$489/student (\$509 after Nov 1st, \$529 after Mar 1st)
- Hotel Cost: varies, but averages \$139/night for a Double Queen room

District Grant The District Executive Committee (Dexcom) has authorized a \$250 grant for each student, sponsor (one sponsor for every block of seven students per gender), and adult volunteer (non-sponsor adult serving as LIFE volunteer) to assist with attending the LIFE Conference. Email Chris Tweedy with your registration confirmation to apply.

Initial Pro Tips

- Start preparing now!
- Start lining up adult *sponsors* before talking to students.
- Craft a fall teaching series around the theme (Here & Now).
- Promote this as ministry (ministering and being ministered to) and not a vacation.
- Start a conversation with a travel agency about flights sooner rather than later.
