As a pastor we have been blessed at times to have friends offer their vacation home for our use. We desire to pass use of our space on to ministry friends.

(Do note the stairs are your private access. You must do stairs)

We also have a queen airbed and 2 twin airbeds.

You have a fully stocked kitchen with dishes, cookware and staples. Also includes a washer/dryer.

In Hill City we have a delightful downtown, the 1880 Train and Alpine Inn for great steaks and the Mickelson Bike Train runs through town. We are less than 15 miles to Mount Rushmore or Crazy Horse and a little further to the buffalo at Custer State Park or travel north to Spearfish Canyon.
