

Third Thursday Notes

October 16, 2025 - Discipleship (Part 2)

So I get “God’s Part” and “Our Part”, but how does this look practically?

The Prep: You

- Are you continuing to grow in Christ?
- Do you have a mentor?
- Are you a student of the Word?
- How is your prayer life?
- What is your relationship like with your students?

Our Part: helpful questions

- What do you want a student to know or know how to do when they graduate?
- How (where and by what means) are you going to lead them into this?
- What are you intentionally modeling?
- How are they being integrated into the larger church family?

God’s Part: helpful questions

- How do you feel about not being in control?
- What parts of your discipleship strategy will fail if the Holy Spirit does not show up?
- How do you leave space for the Holy Spirit to move in your discipleship?

Helpful Resources

- [RMD Discipleship Blog](#). There are a host of articles here on a variety of discipleship-related topics and many of them will easily relate to student discipleship.
- [Discipleship.org](#). This is a discipleship-focused ministry that has a variety of helpful resources – not all directly written for student discipleship, but certainly applicable.

How does this affect *you*? How does this affect *your leaders*? How does this affect *your students*?
